

## **Professor N. Srinivasan**

### **Current position:**

- Professor at the Molecular Biophysics Unit, Indian Institute of Science, Bangalore

Leading a research group in the area of computational biology and bioinformatics.

**Number of publications:** Published over 280 scientific articles in leading international journals.

### **Recognitions at the national level:**

- Recipient of National Bioscience Award
- Recipient of Shanti Swaroop Bhatnagar Award
- Fellow of the Indian Academy of Sciences
- Fellow of the National Academy of Sciences
- J C Bose National Fellow

### **Recognitions at the international level:**

- International Senior Fellow of the Wellcome Trust, London
- Senior Fellow of the University of Manchester, UK
- Visiting Professor of bioinformatics, Reunion University, France
- Visiting Professor of bioinformatics, Nantes University, France
- Faculty member of *Faculty of 1000*, London
- In the editorial board of many international journals (Bioinformatics, Biology Direct, PLoS ONE, Scientific Reports etc).

### **Brief background:**

- BSc in Physics, 1982, University of Madras
- MSc in Biophysics, 1984, University of Madras
- PhD on Three-dimensional structures of proteins, 1991, Indian Institute of Science

*After his PhD he worked as a research scientist in 3 labs in the UK during 1991-1998*

1. Department of Crystallography, Birkbeck College, London, UK
2. Ludwig Institute for Cancer Research, London, UK
3. University of Cambridge, Cambridge, UK

In the faculty of Molecular Biophysics, Indian Institute of Science, Bangalore since mid-1998
